

Econometric Modeling Questionnaire

For bid amounts exceeding \$100,000.00 bidders are required to respond to the questions identified below.

Act 112 of the Acts of 2012, “An act relating to evaluating net costs of government purchasing,” requires the Secretary of Administration and the legislative economist to design and implement a pilot project to help measure the net fiscal impact to the state of certain identified purchases. In order to accomplish this goal, we are seeking data on contracts for goods and services to support the econometric evaluation.

Questions have been identified that may assist the state in the data collection process which will ultimately be used for Econometric Modeling. Indicate N/A if not applicable.
